# Com. Building Plan Examiner

1 day ---6 hours (0.5 CEU's)

Registration 7:30

Class starts 8:00

**Cost 150.00**

**Classes are limited in size**

CEU Approvals ---ICC, SC,TN

**Course Objective:** To teach the student the basics of plan examination, from the structural requirements to the life safety aspects of commercial building. What is required on a set of plans and some tricks to the trade.

**Method of Evaluation:** Through a series of pre and post progress tests and reviews, the instructor will help the student better understand how to interpret the code correctly and avoid common mistakes in the field. A workbook, films, and pictures let the student see how related tables and sections interact, and how to incorporate them into plan reviews.

**Suggested Pre-requisite: Commercial building inspector class.**
