Registration 7:30  
Class starts 8:00

**Cost 150.00**

**Classes are limited in size**  
Approvals ICC, SC

**Course Objective:** The IRC requires ACCA Manual J Calculations to be run on every residential building to ensure compliance to the 2009 IECC/ this one day class will help the student read and understand the calculations.

**Method of Evaluation:** Thru a series of pre and post progress tests and reviews the instructor will help the student better understand how to interpret the code correctly and avoid common mistakes in the field. A workbook, films, and pictures let the student see how related tables and sections interact, and how to incorporate them into inspections and plan reviews.
