# Accessibility Inspector / Review

2 day ---12 hours (1.2 CEU's)

Registration 7:30  
Class starts 8:00

**Cost 295.00**

**Classes are limited in size**

CEU Approvals ---ICC, SC,TN, FL

**Course Objective:** 80% of all people will become disabled during their life– one of the most overlooked and least understood is ANSI A117.1. This course will help the student understand the logic behind the ANSI A117.1, and common mistakes architects, owners, and inspectors make every day.

**Method of Evaluation:** Thru a series of pre and post progress tests and reviews the instructor will help the student better understand how to interpret the code correctly and avoid common mistakes in the field. A workbook, films, and pictures let the student see how related tables and sections interact, and how to incorporate them into inspections and plan reviews.

**Suggested Pre-requisite: Commercial Building Inspector**
