Registration 7:30

Class starts 8:00

Cost 395.00

Classes are limited in size

CEU Approvals ---ICC, SC, TN, FL # 0006144,

Course Objective: The objective of the instructor is to give the student a comfortable knowledge of the codes as well as the lingo that electricians speak. The first day of this class is dedicated to understanding basic electricity and terms found in the codes.

Method of Evaluation: Thru a series of pre and post progress test and reviews the instructor will help the student better understand how to interpret the code correctly and avoid common mistakes in the field. A workbook, films, and pictures let the student see how related tables and sections interact, and how to incorporate them into field inspections.

Suggested Pre-requisite: At least one other ICC certification
