# NEC Special Conditions

1 day ---6 hours (0.6 CEU's)

Registration 7:30

Class starts 8:00

**Cost 395.00**

**Classes are limited in size**

CEU Approvals ---ICC, SC, TN, FL Pending

**Course Objective:** This is the 4<sup>th</sup> day of the NEC class which can be taken separately . Since a major focus of most NEC classes is on Chapter 2-4 many students lack the knowledge necessary for . Chapter 5 Special Occupancies, Chapter 6 Special Equipment and Chapter 7 Special Conditions

**Method of Evaluation:** Thru a series of pre and post progress test and reviews, the instructor will help the student better understand how to interpret the code correctly and avoid common mistakes in the field. A workbook, films, and pictures let the student see how related tables and sections interact, and how to incorporate them into field inspections.

**Suggested Pre-requisite: ICC Residential Electrical Inspector**
